## **MEMORANDUM**

**To:** Transportation Committee

**Date:** April 16, 2010

From: Bob Dean, Principal Regional Planner

**Re:** *GO TO 2040* Recommendations

The *GO TO 2040* plan will include specific policy recommendations in a number of priority areas. A draft of these recommendations is scheduled to be released for public comment, as part of the full plan, on June 11. Before then, staff are asking committees to review and discuss recommendations within their areas of expertise. At the April 23 meeting of the Transportation Committee, staff will present initial recommendations in the areas of *transportation finance* and *public transit* and will seek committee discussion.

Drafts of these materials are posted on the Transportation Committee's website with the other meeting materials for the April 23 meeting. Please note that these are drafts, and contain some references to other sections of the plan which are not yet complete.

Individual comments either before or after the meeting are also welcome, and can be directed to me at bdean@cmap.illinois.gov or 312-386-8834.

**ACTION REQUESTED: Discussion.**
